

# Group questions

- Group 1: What are your strategies for addressing the LSIP (skills needs/gaps)?
- Group 2: Can you share your achievements in engaging with employers (as a training provider or other stakeholder) or with training providers (as an employer)?
- Group 3: What kind of support is necessary for you to collaborate more effectively with other stakeholders and employers?
- Group 4: What methods can we employ to attract more young people to priority sectors?
