AI for South London Businesses – Improve Productivity and Growth with Maikai

Less than a week remaining to sign up! Are you an business/organisation in South London? You're invited to join a FREE online webinar on 8 September 2026 from 11:30am-12:30pm, delivered by Maikai in partnership with the South London Partnership. The session will explore how artificial intelligence can improve productivity, streamline everyday workflows and support business growth through practical, peer-to-peer learning. Participants will have the opportunity to complete an AI diagnostic, learn about real-world business applications of AI and access resources, guidance and funded development opportunities to help their organisation embrace AI with confidence.

Hospitality Employers: We Want to Hear From You

Are you interested in helping shape the future hospitality workforce in South London?

The South London Partnership is exploring plans for a new South London Hospitality Network and Hospitality Connect programme. We're seeking feedback from employers to better understand current engagement with schools, colleges and young people, and to identify opportunities for future collaboration.

By completing this short survey, you'll help shape a network designed to support employers, strengthen talent pipelines and create meaningful opportunities for young people.

LSIP Launch Webinar

Join us for the launch of the South London Local Skills Improvement Plan (LSIP) Annex, where we will share the key findings, priorities and actions that will help shape skills and employment provision across South London over the next three years.

Date: 22nd September 2026

Time: 12pm – 1pm

Location: LSIP South London Annex Launch | Join meeting in Teams | Microsoft Teams

This online session will provide an overview of:

- The key priorities and recommendations set out in the South London LSIP Annex
- How the South London LSIP aligns with and supports the wider London LSIP priorities
- The opportunities and challenges identified by employers across the region
- The collaborative actions needed from partners, employers, training providers and stakeholders to address local skills needs
- What the LSIP means in practice and how organisations can contribute to delivering its priorities

This session is aimed at employers, training providers, local authorities, employment and skills partners, and organisations with an interest in supporting a skilled and inclusive workforce across South London.
